APPENDIX—Containing Selling Directions for the Coast of China, and for the Japan Islands, also giving the meaning

of Chinese Words occurring in Charts and Sailing Directions; and also a Table of Positions of places on the Chinese and Japanese Charts.

The author in his Preface says:—"The tables in Chap. VII., for estimating prices in measurement of goods, exchanges, &c. have been selected from those constantly in use among the foreign merchants in China. These for calculating the prices of tea, dollars or pence have been copied from more extended tables, by the kind permission of the author, P. Lowndes, Esq. The last section of the same chapter on 'Movements in Bullion' has been prepared at

furnished for the Guide by Patrick Harper, Esq., of the Commercial Bank India in Hongkong, who has had much experience in the exchanges and movements

"The Appendix of Selling Directions has been reprinted from the China Pilot. With short interruptions, the coasts from Shanghai to Hakodadi are all described in it; and for the Chinese coasts, the Directions have been improved by the insertion of the Chinese characters for the names of all places that could be ascertained."
